11. CLOSED SESSION
   (The Commission will adjourn to closed session to consider the following item at this time during the meeting. At the conclusion of closed session, the Commission will reconvene in open session to report on any actions taken for which a report is required by law.)
   - Public Employee Performance Evaluation (California Government Code Section 54957(b))
     Title: Executive Director, F5SMC 5:05 PM
*Public Comment:* This item is reserved for persons wishing to address the Commission on any Commission-related matters that are as follows: 1) Not otherwise on this meeting agenda; 2) Listed on the Consent Agenda; 3) Executive Director's Report on the Regular Agenda; or 4) Subcommittee Members’ Reports on the Regular Agenda. Public comments on matters not listed above shall be heard at the time the matter is called.

Persons wishing to address a particular agenda item should speak during that agenda item. If you wish to speak to the Commission, please fill out a speaker’s slip located in the box on the sign in table as you enter the conference room. If you have anything that you wish to be distributed to the Commission and included in the official record, please hand it to Myra Cruz who will distribute the information to the Commissioners and staff. Speakers are customarily limited to two minutes, but an extension may be provided to you at the discretion of the Commission Chair.

The identified times are approximate and are intended to serve as a guide to the public and all First 5 meeting attendees regarding the approximate start times for any one section of the Agenda. The actual start and end times for an agenda item may differ from the noted times.

Public records that relate to any item on the open session agenda for a regular Commission meeting are available for public inspection. Those records that are distributed less than 72 hours prior to the meeting are available for public inspection at the same time they are distributed to all members, or a majority of the members of the Commission. The Commission has designated the First 5 San Mateo County office located at 1700 S. El Camino Real, Ste. 405, San Mateo, CA, 94402, for making those public records available for inspection. The documents are also available on the First 5 Internet Web site at www.first5.smcgov.org.

**IN COMPLIANCE WITH THE CALIFORNIA GOVERNMENT CODE AND THE AMERICANS WITH DISABILITIES ACT:** First 5 San Mateo County Commission meetings are accessible to individuals with disabilities. Contact Myra Cruz at (650) 372-9500 ext. 232, or at ecruz@smcgov.org as soon as possible prior to the meeting, if (1) you need special assistance or a disability-related modification or accommodation, including auxiliary aids or services, in order to participate in this meeting; or (2) you have a disability and wish to receive the meeting notice, agenda packet or other writings that may be distributed at the meeting in an alternative format. Notification in advance of the meeting will enable First 5 San Mateo County to make reasonable arrangements to ensure full accessibility to this meeting and the materials related to it.
First 5 San Mateo County Commission Meeting

CONSENT AGENDA
January 27, 2020

All items on the consent agenda are approved by one roll call motion unless a request is made at the beginning of the meeting that an item be withdrawn or transferred to the regular agenda. Any item on the regular agenda may be transferred to the consent agenda.

3.1 Approval of the December 16, 2019 Commission Meeting Minutes
(See Attachment 3.1)

First 5 San Mateo County (F5SMC)
COMMISSION MEETING MINUTES
December 16, 2019
San Mateo County Office of Education

Call to Order & Roll Call

1. **Roll Call**
   
   Commission Members: Alexis Becerra, Rosanne Foust, Pam Frisella, Nancy Magee, Sandra Phillips-Sved, Neel Patel, Louise Rogers
   
   Absent: Ken Cole, David Canepa
   
   Staff: Kitty Lopez, Michelle Blakely, Mai Le, Myra Cruz
   
   County Counsel: Monali Sheth
   
   A quorum was present. Commissioner Frisella called the meeting to order at 4:04 PM; roll call was taken.

2. **Public Comments:** None

3. **Action to Set Agenda for December 16, 2019 Meeting and Approve Consent Agenda Items**

   Executive Director, Kitty Lopez, requested to remove Item #6, Medical-Dental Integration Pilot Project Presentation by Pat Curran, Deputy Chief Executive Officer, Health Plan of San Mateo. Lopez informed everyone that Mr. Curran was not able to attend the meeting due to an emergency.

   Motioned to accept the amended agenda
   
   MOTION: MAGEE/ SECOND: ROGERS
   
   AYES: BECERRA, FOUST, FRISELLA, MAGEE, PHILLIPS-SVED
   
   NOES: NONE
   
   ABSTAIN: NONE
   
   Motion approved.

4. **Commission Announcement:**

   Commissioner Rogers announced that San Mateo County Health would hold a public study session on January 28, 2020, regarding the proposed budget for the next fiscal year. It is an opportunity for members of the public to weigh in on the proposed plan to close the budget gap. The Board will not make any decisions that day.

5. **Storytelling: First 5 Work/Impact**

   Commissioners Magee and Becerra shared their comments on the Culture of Care event hosted by F5SMC on November 18, 2019. Commissioner Becerra shared that the event was well organized, the speakers were amazing, and she was very appreciative of the content. Commissioner Magee shared that she participated as one of the panel speakers and was very inspired by the responses of her fellow speakers.

6. **Approval of First 5 San Mateo County 2020 Meetings Calendar**

   Kitty Lopez asked for approval of this agenda item.

   MOTION: FOUST/ SECOND: PHILLIPS-SVED

   AYES: BECERRA, FRISELLA, MAGEE, PATEL, ROGERS

   NOES: NONE

   ABSTAIN: NONE
Motion approved.

7. **Approval of 2020 Committee Members for Finance and Administration Committee, Program, Operations, and Planning Committee, and Early Childhood Evaluation Advisory Committee**

Kitty Lopez asked for an approval of this agenda item.

**MOTION:** ROGERS/ SECOND: PHILLIPS-SVED  
**AYES:** BECERRA, FOUST, FRISELLA, MAGEE, PATEL  
**NOES:** NONE  
**ABSTAIN:** NONE  

Motion approved.

8. **Nomination and Election of Chairperson and Vice-Chairperson to Commission for 2020**

Commissioner Frisella nominated Commissioner Rogers for 2020 Commission Chair.

**MOTION:** FRISELLA/ SECOND: PHILLIPS-SVED  
**AYES:** BECERRA, FOUST, MAGEE, PATEL, ROGERS  
**NOES:** NONE  
**ABSTAIN:** NONE  

Motion approved.

Commissioner Rogers nominated Commissioner Phillips-Sved for 2020 Commission Vice-Chair.

**MOTION:** ROGERS/ SECOND: FOUST  
**AYES:** BECERRA, FRISELLA, MAGEE, PATEL, ROGERS  
**NOES:** NONE  
**ABSTAIN:** NONE  

Motion approved.

9. **Presentation of the First 5 San Mateo County Procurement Process: Funding Mechanisms for the Strategic Plan Implementation Plan 2025**

FSSMC’s Program and Planning Director, Michelle Blakely, presented this agenda item, and Blakely highlighted the following:

- Considerations for 2020 – 2025 Strategic Plan
- Funding Mechanisms
- Strategic Plan Implementation Plan (SPIP) Timeline
- Strategies and 3-Year Funding Allocations for Resilient Families, Healthy Children, Quality Care and Education
- Key Components and Review Panel Process

Commission asked questions and made comments.

The PowerPoint Presentation can be found on the F5SMC’s website, [December 16, 2019 Commission Meeting Presentations](#).

10. **First 5 San Mateo County Future Commission Topics**

Kitty Lopez asked for the Commission’s ideas for future topics and presentations Commissioners would like to hear and discuss at future Commission Meetings. Lopez shared that F5SMC will be rolling out RFPs in the
coming few months, and we want to avoid topics that may relate to programs that we are currently funding. She shared that a list of topics presented in the past two years was included in the packet.

The Commission provided topic ideas such as
- More information on Governor Newsom’s Blue-Ribbon Commission
- Update on Cannabis Funding
- Is there anything coming out from Surgeon General regarding early childhood interest in trauma that we are not aware of?
- What are other folks doing, what are other national programs that impact young children, and what could we be doing better?
- What are evidence based-practices that we don’t have access to at this point in this County for early childhood?
- Provide effective outcomes in terms of engaging and supporting providers towards more equitable outcomes.

11. **Communications Update**

Kitty Lopez informed the Commission that the Communication’s written report was included in the December 19, 2019 Commission Meeting Packet. She highlighted the following:
- Think Bigger Online Newsletter will go out in January 2020
- Marijuana/Cannabis Education Brochure
- Help Me Grow website will launch in January 2020

12. **Report of the Executive Director**

The Executive Director’s written report was included in the December 19, 2019 Commission Meeting Packet. Kitty Lopez, highlighted the following:
- Build Up San Mateo County’s Children Director, Christine Padilla, was quoted in the Daily Journal.
- David and Lucile Packard Foundation’s $150,000 grant for the Help Me Grow System has been approved.
- F5SMC’s RFP for Resilient Families will be released in January 2020.
- California launched Adverse Childhood Experiences (ACEs) Aware Initiative.
- A Culture of Care Convening was a success. Lopez acknowledged the F5SMC staff for all their work and preparation.

Kitty Lopez added that Commissioner Ken Cole, new Human Services Agency Director, was unable to attend today’s Commission Meeting, but he will be at the next Commission Meeting.

The meeting was adjourned at 5:23 PM followed by F5SMC’s Holiday Reception.

Re: Approval of First 5 San Mateo County Program, Operations, and Planning Committee Member: Commissioner Ken Cole for 2020 Calendar Year

ACTION REQUESTED
Approval of First 5 San Mateo County Program, Operations, and Planning Committee Member: Commissioner Ken Cole for 2020 Calendar Year

BACKGROUND
The duties and responsibilities of the Program, Operations and Planning Committee shall be to advise the Commission concerning the First 5 San Mateo County Strategic Plan, policies concerning programs to be implemented and supported under the Strategic Plan, community needs assessments, program evaluations and other tasks and issues as assigned by the Commission.

Members are appointed by a majority vote of the Commission and consist of a minimum of 2 Commissioners and a maximum of 4, which is less than a quorum of the members of the Commission (In compliance with The Brown Act: California’s Open Meeting Law).

Unless otherwise provided, standing committee memberships shall be reviewed annually by either the Chair or Commission as a whole as indicated in Article IX, section 4 of F5SMC By-laws.

RECOMMENDATION
Approval of First 5 San Mateo County Program, Operations, and Planning Committee Member: Commissioner Ken Cole for 2020 Calendar Year

FISCAL IMPACT
None.

RE: Communications Update

ACTION REQUESTED
None; this agenda item is for information only.

COMMUNICATIONS

First 5 San Mateo County (F5SMC) and its communication firm, RSE, are developing the following informational materials:

- **Think Bigger Newsletter** – The F5SMC online newsletter will go out in the last week of January 2020. Highlights include Culture of Care Convening recap, Census 2020, Governor Newsom’s Budget, and Help Me Grow website launch.

- **Marijuana/Cannabis Brochure** – F5SMC approved the concept of this educational brochure, and the next steps would include having providers review the content of the brochure and finalizing the resource information section by the end of March 2020.

- **Help Me Grow Website** – The English version of Help Me Grow website was launched in early January. Check out [https://helpmegrowsmc.org/](https://helpmegrowsmc.org/). The Spanish version is still being developed and will be launching it on the week of February 17.

- **Don’t forget to check out some of community initiatives that we support:**
  - Quality Counts, San Mateo County: [https://smcqualitycounts.org/](https://smcqualitycounts.org/)
  - Build Up for San Mateo County’s Children: [https://buildupsmc.com/](https://buildupsmc.com/)
  - ACEs Connections, San Mateo: [https://www.acesconnection.com/g/san-mateo-county-ca](https://www.acesconnection.com/g/san-mateo-county-ca)

SOCIAL MEDIA
  - See December 2019 Social Media Report and Website Analytics Report *(Attachment 8.1)*
Overview
During the month of December, all of First 5 San Mateo County’s (F5SMC) social media platforms gained following. As with previous months, strategic and relevant organic posts allowed us to generate solid engagement, with more than 4.2K Facebook impressions, 6.3K Twitter impressions, and 25 new followers on Instagram.

When looking at F5SMC’s on-site analytics for the month, the website had a total of 288 users from within California, creating a total of 356 website sessions. The top sources of traffic were Google organic search, direct search, and the First 5 San Mateo Facebook page. The top cities in California that drove website traffic were San Francisco, Redwood City, San Mateo, Los Angeles and Irvine. The top pages that were visited in December were the Home page, About page and Families page. 68.8% of users accessed the site from a desktop computer, 28% did so from a mobile device, and the remaining 2.8% of visitors used a tablet device. Detailed website analytics can be found on the attached F5SMC December 2019 Analytics Report.

Social Activity by Platform
The following report provides engagement statistics by social media platform.

<table>
<thead>
<tr>
<th>Platform</th>
<th>Followers</th>
<th>Total Engagement (Likes and Comments)</th>
<th>Facebook Post Impressions</th>
</tr>
</thead>
<tbody>
<tr>
<td>Facebook</td>
<td>1,479</td>
<td>333</td>
<td>4.2K</td>
</tr>
</tbody>
</table>

Throughout the month of December, First 5 San Mateo’s Facebook page acquired 7 new followers and generated 333 engagements. 16 organic posts generated more than 4.2K impressions. The team will continue to incorporate more provider-oriented posts because they tend to achieve higher engagement rates. Moving forward we will be incorporating paid social efforts. This will allow us to dramatically increase our overall performance. Below you can see some of the stand out posts from December.

Highlights:
Twitter

During the month of December, the account gained 10 new followers, bringing total followers to 563. 20 organic Twitter posts produced more than 6.3K impressions. To continue achieving high engagement, we suggest participating in more twitter chats, tweeting about events in real time, or joining conversations involving trending topics. This is similar to how we engaged and led the Culture of Care live twitter chat in November.

See some of the month’s stand out tweets below:

**First 5 San Mateo Co @first5sanmateo**
Happy Holidays from our First 5 family to yours! As you enjoy this time with your family, check out these tips to make the holidays better for kids. https://bit.ly/33NbfRj pic.twitter.com/rdnjaeuHjl

**First 5 San Mateo Co @first5sanmateo**
CA’s ACEs Aware training is live! Medi-Cal providers, help fight this public health crisis & reduce toxic stress by half in a generation. Visit https://bit.ly/34SteHi to learn more, take the training, & begin to ScreenTreatHeal #ACEsAware @DrBurkeHarris @DHCS_CA pic.twitter.com/iBoKLOvZ7O
During the month of December, the Instagram account continued to increase its following with the addition of 25 new followers. The 13 organic posts that were published generated a total of 122 engagements. We find that posts involving images regarding First 5 San Mateo events or meetups have higher engagement rates. New followers are comprised primarily of local residents and parents, early education and health community organizations, and government agencies.

The two most popular posts are shown below:
RSE continued to post content during the month of December to the F5SMC LinkedIn business page. F5SMC’s LinkedIn business page added 3 new followers, bringing its total number of followers up to 61. We believe that having a timely, provider-oriented post contributed to the increase in followers. The December post generated 36 organic impressions. The content on LinkedIn continues to be aimed at funded and unfunded partners, business leaders, and professional organizations.
Spanish Website:

During the month of December, F5SMC’s Spanish site had a total of 21 sessions with 12 of those sessions coming from within California. The top sources of traffic were from Google search and direct search. The top cities that drove traffic to the site were San Mateo, Sacramento, San Marcos, San Francisco and South San Francisco. The most visited pages were the https://espanol.first5sanmateo.org/ (Home), Familias (Families) page, Aprendizaje Temprano (Early Learning) page, Nuestras Inversiones (Our Investments) page, and the Acerca-de(About) page. 66.7% of site traffic was accessed by users from a desktop device, while the remaining 33.3% came from mobile users. Detailed website analytics can be found on the attached F5SMC December 2019 Analytics Report.

OVERVIEW

STRATEGIC INVESTMENT FOCUS AREAS – UPDATE

EARLY LEARNING

Early Childhood Education (ECE) Candidate Forum

A forum on early childhood education with the candidates for the California District 13 Senate race will be held on Sunday, February 9th from 3-5PM at the Performing Arts Center at Hillview Middle School. Moderated by Ted Lempert, President of Children Now, we hope to learn more about their platforms and plans for elevating early learning issues and leading our state to greater equity in education, especially for young children and preschool teachers. Candidates for State Senate are: Josh Becker, Michael Brownrigg, Sally Lieber, Shelly Masur, Annie Oliva, Alexander Glew and John H. Webster. The forum will include special guest speaker Dr. Deborah Stipek. Co-Sponsors of the event are: Community Equity Collaborative, League of Women Voters, Good2Know Network, Congregation Beth-Am, Foothill College, Peninsula Family Service, Footsteps Child Care, Silicon Valley Community Foundation and First 5 San Mateo County. RSVP: bit.ly/ECE_Candidates

Build Up for San Mateo County’s Children: Lead Testing in Schools and Child Care Facilities

Build Up signed on in support of the Bipartisan Policy Center’s (BPC) advocacy letter to the US Environmental Protection Agency (EPA). BPC commends the EPA’s proposal to require community water systems to test for lead in the drinking water of child care facilities (See Attachment 9.1). Build Up was directly approached to support advocacy. In California, funding for lead testing is available through Local Education Area’s for state contracted infant-toddler and preschool center-based sites.

CHILD HEALTH AND DEVELOPMENT

TRISI Implementation Team Meeting: The Trauma- and Resiliency-Informed Systems Initiative (TRISI) Implementation Team met in mid-December to debrief the Culture of Care event hosted by F5SMC and partners in November. The Implementation Team provided helpful feedback on future direction and next steps. The TRISI Implementation Team will meet again by March to continue progress.

Pediatric Advisory Team Meeting: On December 16th, F5SMC Commissioner and Help Me Grow (HMG) Physician Champion Neel Patel convened the Pediatric Advisory Team. The agenda prioritized discussion of light-touch HMG outreach to pediatricians and a special presentation from Health Plan of San Mateo (HPSM) staff on the mechanics of developmental screening reimbursement as of January 1, 2020. The group will meet again in February.
Children’s Oral Health Workgroup: The Children’s Oral Health (COH) Workgroup met on January 8th with a focus on Women, Infants, and Children (WIC) partnership and strategies targeted to pregnant women. A subcommittee of the COH met as a follow up to this meeting to explore the first targeted communications campaign for children’s oral health in preparation for February, which National Children’s Dental Health Month. Keep on the look-out for the launch of this campaign!

Systems Change for Children with Special Needs Meeting: First 5 SMC staff member Emily Roberts and Help Me Grow consultant Cheryl Oku co-convened the quarterly meeting for the Systems Change for Children with Special Health Care Needs and their Families. The meeting was largely focused on the review of preliminary findings from a recent survey conducted by F5SMC focused on the Systems of Care. The participants then spent time reflecting on the findings and sharing insights and questions. The results of the survey and topics raised in discussion will be used to inform our upcoming procurement process for the Integrated Systems for Children with Special Needs strategy.

Peninsula Health Care District Community Grant: First 5 SMC received notification of a one-year grant in the amount of $35,000 to support our Help Me Grow system for 2020. The work of the grant will allow us to focus some targeted efforts on early identification and linkage to residents and providers within the Peninsula Health Care District boundaries.

FAMILY ENGAGEMENT

Resilient Families Funding Roll Out:  
On January 7th the Resilient Families RFP (RF RFP) was released, officially beginning the procurement process for all three strategies in the Resilient Families Focus Area. The RFP covers the first three years of the five-year Strategic plan, releasing a maximum of $3,180,000. In accordance with the Strategic Plan, the RFP calls for proposals that incorporate a systems-improvement/change element in addition to direct service strategies. The Resilient Families Focus Area strategies are:

- Intensive Supports for Families with Multiple Risk Factors
- Parent Connectivity
- Family Engagement Capacity Building

On January 21st the Resilient Families Proposers’ Conference was held with 35 participants in attendance. Attendees represented current grantees, past grantees, and organizations new to F5SMC funding. With such good attendance and variety of participants, we anticipate a good response with a variety of proposed projects. Proposals are due February 18th and we plan to bring funding recommendations to the March 23rd Commission meeting for approval.

POLICY & ADVOCACY UPDATES

“Why the census matters more than ever” article authored by Supervisors Don Horsley and David J. Canepa (January 13, 2020). The Daily Journal. Supervisors Horsley and Canepa emphasized the importance of every residents being counted especially the hard-to-count populations including young children. (See Attachment 9.2)
ACCOUNTABILITY, RESEARCH AND EVALUATION

Parent Conversations on School Readiness
F5SMC has contracted with Silicon Valley Community Foundation to host a series of parent conversations on how families support their children’s school readiness during and the resources that are helpful to them in this effort. Conversations will include discussions of the ways in which health, early learning, and family support programs can be more responsive to the school readiness needs of parents and children. This project will be geared towards communications and advocacy, involving journalists to document the work.

FIRST 5 CALIFORNIA & FIRST 5 ASSOCIATION UPDATES

“First 5 Association, First 5 LA: Governor’s Budget Shows Little Kids – And Their Families- Are A Continuing Priority” press released by First 5 Association and First 5 LA (January 10, 2020) applauding Governor Newsom’s for his continued support of young children and their families in his 2020-2021 budget proposal. (See Attachment 9.3)

First 5 Association Executive Director Recruitment
After nearly 15 years of service as Statewide Program Director and Executive Director of the First 5 Association Network, Moira Kenney resigned from her position on January 10, 2020. Moira has presented to the F5SMC Commission on several occasions in the past. She will be exploring other professional opportunities as well as spending more time with her family. The State Association Network is grateful for her long tenure and dedication to supporting young children and their families. The Association’s Executive Committee, of which Kitty Lopez is a member, has engaged a recruiting firm to assist in the recruitment of a new Executive Director. John Sims, former Executive Director of First 5 Stanislaus County, is the Interim Director at the present time.

First 5 Association New Vice Chair
Annual Elections were held at the First 5 Association in December, 2019. Kitty Lopez was nominated for the Vice Chair position; this is a two-year position and begins January, 2020.

First 5 California Annual Summit
First 5 California will be holding its Annual Child Health, Education, and Care Summit in Irvine, CA February 3 – 5, 2020; several F5 Staff Members are attending.

COMMUNITY AND STATEWIDE EVENTS & UPDATES

Community Collaboration for Children & Youth Success (CCCS), Redwood City (RWC)/North Fair Oaks (NFO)
On January 14th, Jenifer Clark attended the Implementation Group meeting for CCCS RWC/NFO. Attendees provided updates on their existing efforts to support children and families in the North Fair Oaks neighborhoods. Ideas for elevating the youth voice in policy and governance were a particular focus of conversation. Due to staff transitions at the Health System, Implementation Group members are being asked to provide more leadership for the workgroups, particularly those on youth engagement and on mental health.
Latinx Complete Count Committee of San Mateo County
On December 17th, Jenifer Clark attended the inaugural meeting of our local Complete Count Committee focused on outreach to the Latinx community. Attendees discussed the populations they serve, the resources available for census outreach, and their fears and concerns about successfully engaging the Latinx community.

Census 2020 Training
Supervisor Carole Groom is inviting all Commissioners and Elected Officials to join her for a special Census 2020 Training on January 30, 2020 at 5:30 pm at 264 Harbor Blvd, Bldg A (Jupiter Room), Belmont. You will learn key aspects of Census 2020 and how to encourage fellow residents to participate and address common questions and barriers. (See Attachment 9.4)

Census 2020 California All
January 8, 2020 Census 2020 California All online newsletter featured First 5 Association of California for launching its toolkit in English and Spanish to encourage parents, and caregivers of children ages 0-5 to count young kids in the upcoming Census. (See Attachment 9.5)
January 13, 2020

The Honorable Andrew Wheeler
Administrator
Environmental Protection Agency
1200 Pennsylvania Avenue, NW
Washington, DC 20460

Re: Docket ID No. EPA-HQ-OW-2017-0300: National Primary Drinking Water Regulations: Proposed Lead and Copper Rule Revisions

Dear Administrator Wheeler:

The Bipartisan Policy Center is appreciative of the opportunity to comment on the proposed Lead and Copper Rule Revisions under the Safe Drinking Water Act. We commend the Environmental Protection Agency for taking steps to ensure the absence of lead in drinking water. We also appreciate the EPA’s commitment to highlighting the importance of lead testing in child care facilities, which helps keep young children safe and healthy in these settings.

BPC is a non-profit organization that combines the best ideas from both parties to promote health, security, and opportunity for all Americans. As a Washington, DC.-based think tank that actively promotes bipartisanship, BPC works to address the key challenges facing the nation. Our policy solutions are the product of informed deliberations by former elected and appointed officials, business and labor leaders, and academics and advocates who represent both ends of the political spectrum. BPC’s Early Childhood Initiative, launched in 2017, addresses issues related to child care and early learning, including a focus on creating and financing high-quality child care facilities. In 2018, the initiative released the Early Learning Facilities Policy Framework, in collaboration with a 42-member working group, that highlights the importance of child care settings in children’s development, and includes the challenges many communities face around meeting the most basic health and safety standards—such as ensuring the absence of lead exposure in drinking water.

BPC is responding to several components on the proposed revision, below:

**Trigger Level**
The proposed revision to the Lead and Copper Rule establishes a lead trigger level of 10 parts per billion, or ppb. This requires community water systems with a 90th percentile lead value that exceeds 10 ppb to develop a plan for reducing lead in drinking water. As stated in the proposed revisions, the suggested trigger level is not a health-based standard, rather is intended to make meaningful reductions in drinking water lead exposure.

BPC commends the EPA’s proposal of establishing a lead trigger level in an effort to actively reduce lead exposure. However, we recommend that the proposed trigger level be set at 1 ppb, at which point action steps are implemented to reduce lead exposure. No amount of lead exposure is safe, especially for young children. In a 2016 policy statement, the American Academy of Pediatrics, or AAP, stated that problems—such as lower IQ scores, poor academic performance, inattention, impulsivity, aggression, and hyperactivity—begin at blood lead levels of 5 micrograms per deciliter in young children. The AAP
also urged “legal requirements that lead be removed from contaminated housing and child care facilities and to ensure water fountains in schools do not exceed water lead concentrations of more than 1 part per billion.” Accordingly, BPC recommends a stricter trigger level to not only reduce lead exposure, but to prevent it.

**Public Education and Outreach**

BPC agrees that public education and outreach about the risk, health effects, and options for reducing lead exposure will help ensure drinking water is safe for consumers. In addition to conducting line service inventories and lead line service replacements, we believe community water systems have a responsibility to educate consumers on the materials of their service lines and opportunities for reducing exposure to lead. Further, we believe that community water systems are responsible for providing public education to consumers served by a service line of unknown materials that may include lead, and informing them of actions they can take to reduce their exposure to lead. This public education can create consumer awareness that can also mitigate potential risk.

In addition, we encourage the prioritization of lead service line replacements and public education efforts in facilities and settings where young children are—including homes, child care facilities, and schools. We also urge the EPA to promote different options for funding assistance that helps cover costs of lead service line replacements and public education.

**Testing in Schools and Child Care Facilities**

BPC commends the EPA’s proposal to require community water systems to test for lead in the drinking water of child care facilities. Because these are settings in which many children spend their time, there needs to be assurances that they meet the basic health and safety standards, which include the absence of lead. We also appreciate the EPA’s effort to reduce lead in child care facilities through the voluntary 3Ts for Reducing Lead in Drinking Water program, which was designed to assist states and child care facilities in conducting their own testing and outreach.

We agree that there is great opportunity for community water systems to assist with sampling and testing for lead in child care facilities, and that it should be required to determine the risk of lead exposure and develop action plans. With regard to the process through which water samples in child care facilities are collected and tested, we agree with the proposed requirement that all community water systems be required “to conduct targeted sampling and public education at school and child care facilities that they serve,” rather than having it done upon request. We also believe this should apply to both center-based and home-based child care facilities.

Existing studies has found the presence of lead in communities throughout the nation. For example, the state of Vermont conducted a pilot study, in which 900 taps across 16 schools—including child care facilities—were tested. Lead was detected at greater than 1 ppb in all schools, and lead levels exceeding 14 ppb were detected in 5 schools. Given this data, it is important to know the prevalence of lead exposure in child care facilities, schools, and other facilities that serve young children. Furthermore, at present, 11 states require lead testing in licensed child care facilities. With the EPA’s proposed requirement to test child care facilities, these efforts can become better aligned to prevent and reduce lead exposure and guarantee children’s optimal development across all states.

BPC’s Early Childhood Initiative is eager to see progress in ensuring the safety of drinking water in communities across the country and for young children who are susceptible to the effects of lead exposure. Thank you for the opportunity to provide these comments. If you would like to discuss
further, please contact Linda K. Smith, Director of the Bipartisan Policy Center’s Early Childhood Initiative at lsmith@bipartisanpolicy.org.

Sincerely,

Linda K. Smith

Why the census matters more than ever

By Don Horsley and David J. Canepa

Jan 13, 2020 Updated 59 min ago

The 2020 Census gets underway soon and it’s critical that every person living in the county is counted to secure federal funding for medical services, including clinics and children’s health insurance, housing, emergency preparedness, nutrition programs, infrastructure and a host of other services.

However, there are some hard-to-count neighborhoods in the county that could jeopardize the amount of federal dollars San Mateo County receives. African Americans, Hispanics and renters are commonly the most undercounted. A 1 percent undercount, for example, could cost San Mateo County coffers up to $75 million in lost revenue a year, or about $750 million over the next 10 years.

We cannot afford to lose this money as it is an incredible job creator and helps keep our communities safe and healthy.

As co-chairs of the county’s census efforts this year, we can tell you that our Office of Community Affairs is starting to conduct extensive outreach to highlight the importance of the census and why each resident needs to be counted.

https://www.smdailyjournal.com/opinion/guest_perspectives/why-the-census-matters-more-than-ever/article_29f7fa42-35ad-11ea-97ca-1381f3773cfa.html?fbclid=IwAR3gclbiNK9xU5-l_n8mozaZT9qyFIf2qeyFt_ZLeh2WC2mB5jHhMjzZpc
If your community is undercounted, low-income areas would lose federal funding for textbooks, school supplies and food for students, which aid children in meeting academic standards, according to the OCA.

The county would also lose federal Section 8 housing vouchers, a critical tool used to boost the production of affordable housing and to provide rental assistance for low-income residents.

Most residents will get an invitation to respond online to the 2020 census starting March 12. Some households will also receive paper questionnaires and reminder letters will be sent out March 16. If you haven’t responded by March 26, you will receive a reminder postcard. If you haven’t responded by April 8, you will get a reminder letter and paper questionnaire in the mail. Starting April 20, a final reminder postcard will be sent before census workers start to follow up in person.

It is critical at this time to let everyone know, citizen or not, that the data collected is completely confidential. There is no citizenship question on the census and no individual who participates in the census will be put at risk in any way.

For 2020, the Census Bureau will use a new privacy protection system designed specifically to protect against emerging threats in today’s digital world, according to the OCA.

The Census Bureau does not share information about a specific business, household or individual. It combines information to share overall trends in a community, according to the OCA.

Since there may be some fear in our immigrant communities that participating in the census will compromise their privacy, it is especially important this year that faith leaders and churches play a key role in this effort. After all, about a third or 250,000 individuals living in the county are foreign born.

Also, about 1 million young children in the United States were not counted in the last census — the highest of any age group, according to the bureau.

We can all make a difference in the places we live, work and worship.

Why? Because everyone counts.

San Mateo County supervisors Don Horsley and David J. Canepa are co-chairs of the county’s Census 2020 subcommittee.
First 5 Association, First 5 LA: Governor’s Budget Shows Little Kids– And Their Families–Are A Continuing Priority

Posted on January 10, 2020 by Jessica Berthold

First 5 Association of California and First 5 LA today hailed Governor’s Newsom’s continuing support of young children and their families in his 2020-21 budget proposal.

“We appreciate the governor's evident and ongoing commitment to supporting California’s young children, their families, and others who care for them,” said Kim Goll, president of the First 5 Association board and executive director of First 5 Orange County. “In proposing additional investments in childcare, preschool, paid family leave, and prevention of child poverty and adverse childhood experiences, it is clear Governor Newsom understands that strong families are the key to a strong state. We look forward to continuing to work with the administration and legislators to ensure our children thrive in their schools, communities, and lives.”

In his first year in office, Governor Newsom proved he is committed to making significant steps to help our littlest Californians have the best start in life, said Kim Belshé, executive director of First 5 LA.

“This year’s budget, like last year’s budget, acknowledges that children thrive when they have access to comprehensive services like health, early education, economic, and family strengthening, at the same time,” Belshé added. “We see him continuing to take steps to make our state systems and programs better understand and serve the needs of families with young children. Much work still needs to be done in creating greater cohesiveness and ease of navigation for families to access the services they need. The Governor has started to lay the groundwork for this to happen.”

Early childhood aspects included in the governor’s budget include the following:

- Universal job protection to all workers who take paid family leave and disability leave regardless of employee size; and $1 million to help small businesses mitigate associated expenses
- $10 million in one-time funding to develop a cross-sector training program for Adverse Childhood Experiences (ACES), and for a public awareness program,
around trauma-informed and trauma-sensitive responses, for specific sectors including early childhood, education, government, and law enforcement

- An additional $53.8 million for CalWORKS Stages 2 and 3 Child Care
- $50 million in ongoing funding from the Cannabis Fund (Prop 64) to support over 3,000 general child care slots, and an additional $10.3 million to add 621 general child care spaces
- An additional $31.9 million in 2021, and $127 million ongoing, for 10,000 additional state preschool slots (full-day, full-year), effective April 1, 2021

By investing $1 billion to fight homelessness around the state, the proposed budget would also profoundly affect many families with young children, who account for one third of the state’s homeless population.
Commissioners + Elected Officials are invited to join Supervisor Carole Groom for a special Census 2020 training!

You will learn:
- Key aspects of Census 2020
- How to encourage fellow residents to participate
- How to address common questions and barriers

Thursday, January 30, 2020
- 264 Harbor Blvd, Bldg A, (Jupiter Room) Belmont, Ca 94002
- 5:30 p.m. Dinner
- 6:15-8:00 p.m. Program

Please RSVP by January 10, 2020 at gquiney@smcgov.org

California Census Latest News and Updates

Welcome to the California Census E-Newsletter Vol. 5. We are thrilled to provide you with latest news and updates from the California Complete Count - Census 2020 Office [Census Office]! Our goal is to keep partners informed and up-to-date on all the latest happenings.

Implementation Plan Review Progress

Thank you for submitting your Implementation Plans (IP)!

**Reminder:** If your plan has been approved, please submit your invoices to our Administrative Office. They can be reached at administration@census.ca.gov. Please reach out to your RPM if you have any questions.

Below is a chart that provides a quick snapshot of Implementation Plan progress (as of 1/6/2020):
### Public Benefit Income Exemption

In 2019 Governor Newsom signed Assembly Bill 807 (Bauer-Kahan), related to public benefit eligibility income exemptions for work on the federal decennial Census. Specifically, the new law maintains a person’s CalWORKS and CalFresh eligibility even if they receive income or stipend for temporary work related to improving participation in the Census, if the income or stipend is paid by a government entity such as a county or city, a non-profit organization or the United States Census Bureau.

To find more information about the AB 807 Public Benefit Income Exemption, please [click here](#).

### Statewide Media Buy Update

Thank you for participating in our Partner Call covering the Statewide Media Buy Update! During this call, the Census Communications Team provided information about the paid media update, in detail media coverage, the updated media list and how the U.S. Census Bureau and California media buy work together.

Please make sure to visit the [Campaign Updates](#) section of the [Partner Portal](#) to find the Media Buy Presentation, Evaluation Presentation, Media Buy Glossary of Terms, Media Buy Flowchart and Media Buy Outlet list.

Should you have any questions regarding the Statewide Media Buy Update, please reach out to [communications@census.ca.gov](mailto:communications@census.ca.gov).
First 5 Toolkit

First 5 Association of California has launched their toolkit in English and Spanish!

First 5 Association of California invites partners to use its new digital toolkit to encourage parents and caregivers of children ages 0-5 to count young kids in the upcoming Census.

The toolkit includes downloadable resources for parents/caregivers, as well as those who come in frequent contact with them, such as healthcare providers and early educators. The kit comprises social media, fact sheets, posters, bookmarks, palm cards, radio readers, earned media materials, newsletter blurbs, a message guide, and a style guide.

Take a look at the toolkit here!

Should you have any questions about the toolkit, please contact Communications Director Jess Berthold at jess@first5association.org.

January Social Media Toolkit

Our January Social Media Toolkit is now available for download on the Partner Portal!

Use this toolkit as a guide to provide partners with strategies for social media, encourage conversation and spread key messages about the Census!

A Webinar covering the materials in the toolkit and key messaging will take place on February 11, 2020 at 11am.

To register for the Webinar, click here!
Partner Highlights

Asian American Advancing Justice (AAAJ)

Asian Americans Advancing Justice - Los Angeles, together with its affiliates, its partner organizations, and its subcontractors have developed fact sheets and outreach materials. These materials have been developed with input from community members to encourage people to seek assistance and more information regarding the Census. The materials are available in 15 different Asian languages!

We encourage you to visit www.countusin2020.org/resources for customizable outreach materials and videos, publications, social media tools, translated materials, and partner resources to help us Get on the Count (GOTC) in our communities!

Save the Date

January 21, 2020
This page is intentionally blank
DATE: January 27, 2020
TO: First 5 San Mateo County (F5SMC) Commission
FROM: Kitty Lopez, Executive Director
RE: Committee Updates

Program, Operations and Planning (POP) Committee Meeting – January 6, 2020
Commission Members: Nancy Magee, Sandra Phillips-Sved
Public Member: Harvey Kaplan
Staff: Kitty Lopez, Michelle Blakely, Myra Cruz

1. Elect Committee Chair for 2020: Committee Public Member Kaplan nominated Commissioner Phillips-Sved to continue as Committee Chair. Seconded by Commissioner Magee. Motion approved.

2. Strategic Plan 2020 – 2025 Strategic Plan Implementation Plan (SPIP) Updates
F5SMC’s Program & Planning Director, Michelle Blakely, distributed the Strategic Plan Implementation Plan (SPIP) FY 2020 – 2025 that was approved by the Commission in October 2018. Blakely provided updates on the focus areas and explained its strategies:
   - Resilient Families – RFP will be released soon in January 2020.
     - Intensive Support for Families with Multiple Risk Factors
     - Parent Connectivity
     - Family Engagement Capacity Building
   - Healthy Children
     - Oral Health Access & Utilization
     - Integrated Systems for Children with Special Needs and their Families
     - Early Mental Health Systems & Infrastructure Enhancements
   - Quality Care and Education
     - Quality Improvement
   - Evaluation and Communication
Blakely shared that organizations can apply for funding for one or more strategies. The Review Panel consists of experts within designated fields and are affiliated within and outside San Mateo County. The Review Panel reviews the applications based on evaluation criteria and will make recommendations. Recommendations are presented to the Commission for approval. An update on the procurement process will be provided to the POP Committee.

Committee asked questions and made comments.

3. Trauma and Resiliency-Informed Systems Initiative (TRISI) Update
Michelle Blakely shared that F5SMC has sent out a survey to community-based organizations about willingness to complete an online assessment survey to gauge their agency’s healing centered policies and practices. One goal will be to have a more in-depth conversation, convening and professional development in this area based on the outcomes of the survey. Blakely mentioned that we will be using an assessment tool kit that was developed from the University of Michigan. It is not copyrighted, and we can adapt it to
meet our needs. Areas can be assessed, such as HR policies & practices, staff training on reducing trauma and physical environments.

Committee asked questions and made comments.

4. **Other** - Kitty Lopez shared that Ken Cole will be attending the next Commission Meeting. She will discuss with him about joining the POP Committee.

---

**Finance and Administration Committee Meeting – January 13, 2020 Meeting was canceled**

Budget Monitoring Report as of December 31, 2020 is presented in Attachments 10A and 10B; Shared Operating Budget Monitoring is presented in Schedule 1.
DATE: January 27, 2020
TO: First 5 San Mateo County Finance and Administration Committee
FROM: Kitty Lopez, Executive Director
RE: Budget Monitoring Report as of December 31, 2019

BUDGET MONITORING REPORT as of December 31, 2019 HIGHLIGHTS

Budget Monitoring Report as of December 31, 2019 Highlights
The Budget Monitoring Report as of December 31, 2019 is presented in Attachment 10B. Key Budget Monitoring Report highlights are as following:

YTD Benchmark: 50%

REVENUES
- YTD Interest Revenue projection is $101K or 65%, that represents a positive variance or 15% higher than YTD Benchmark due to higher interest earning rate in the County investment pool.
- YTD Tobacco Tax Revenue projections are $2.552 million or 49%, that represents 1% negative variance lower than YTD Benchmark.
- YTD F5CA IMPACT Grant Revenue estimate is $287K or 50%, which is in line of YTD Benchmark.
- YTD F5 San Francisco IMPACT HUB TA FY19-20 Revenue estimate is $16K or 50%, which is in line with YTD Benchmark.
- YTD David Lucile Packard Foundation - Help Me Grow Grant Revenue estimate is $50K or 50%, which is in line with YTD Benchmark.
- YTD San Mateo County Health System – Watch Me Grow Clinic Based Services Revenue estimate is $181K or 50%, which is in line with YTD Benchmark.
- YTD Total Revenues projections are $3.266 million or 50%, which are in line with YTD Benchmark. Major attributable factors to this neutral variance are associated with 50% Revenue estimates across all grants and Prop 10 Tax Revenues.

APPROPRIATIONS
- YTD Program Expenditures projections are $3.883 million or 43%, that represents a positive variance or 7% below YTD Benchmark. Major contributions to this positive variance are attributable to pending planning and contracting of various Strategic Plan Implementation Plan (SPIP) 18-20 budget lines (PAC, Evaluation, and Emerging Project) and pending new grant execution.
- YTD Admin Expenditures projections of $327K or 45% that represents a positive variance or 5% below YTD Benchmark. Major contributions to this positive variance are attributable to underspending in various administrative areas at the beginning of the fiscal year.
- YTD Total Appropriations (Net Appropriations*) projections are $4.210 million or 43%, that represents a positive variance or 7% below YTD Benchmark. Major contributions to this positive variance are attributable to pending planning and contracting of SPIP18-20, pending new grant executions, and under spending in various Shared Operating Budget Lines.

ENDING FUND BALANCE (RESERVES*)
- At this time, we are projecting Ending Fund balance (Reserves*) of $9.487 million or 131%, that represents a positive variance of 31% or $2.258 million higher than the planned budget.
Major contributions to this positive variance are attributable to higher Interest Revenue and under spending in both Program and Administrative Appropriations at the beginning of the new fiscal year.

CHALLENGES:

- There is 5-month delay in Prop 10 Tax Revenue disbursements versus 2.5 month gap of normal disbursement schedule, which could potentially cause cash flow problems in a year or two, when the F5SMC’s Reserves are exhausted. Kitty Lopez, F5SMC Executive Director, is in weekly communication with First 5 Association and F5CA regarding rectifying this situation for all First 5’s in the State.

First 5 Association of California has established a Fiscal Committee Task Force to work closely with First 5 California and the State aiming to resolve the Tobacco Tax Revenue delayed disbursement immediately.

- Shared Budget/Shared Cost
- Revenue : Fund Balance
- Appropriations
- Salaries & Benefits
Note 1:
At the March 26, 2018 Commission Meeting, Commission reviewed and approved the use of Reserves* to fund the approved FY17-18 Revised Budget. At the same time moving forward, FSSMC will add budget terminologies used by the County to FSSMC Budget for a comparable reading with County internal budget system.

*Total Sources, Net Appropriations, Reserves, Total Requirements with asterisk * are budget terminologies used by the County of San Mateo.

Note 2:
This Budget Monitoring Report is presented in a Hybrid Format as per suggestion of Finance and Administration Committee members.

The YTD Accruals column reflects Actual Revenues and Actual Expenditures reported in Countywide OFAS Accounting System.

The YTD Accruals* (with an asterisk) column is a hybrid presentation using Modified Accrual Accounting or Projections. When Revenue and Expenditures are not measurable in monetary terms or are not available, Committee members suggest to make a Projection for the reporting month.

Technical Terms

1. Modified Accrual

Under Modified Accrual, Revenue is recognized and recorded when measurable and available to finance the expenditures of the current period; Available, under Modified Accrual, means collectible within the current period or soon enough to be used to pay liabilities of the current period; Measurable means quantifiable in monetary terms. Per F5CA, Prop 10 Tax Revenue is recorded when the Prop 10 Tax Revenue is posted on the F5CA website.

Expenditures are recognized and recorded when the related liability incurred with some exceptions.

2. Internal Reporting

The Budget Monitoring Report is an internal report, typically is designed to accomplish two goals:

(a) allows management to monitor compliance with legal and contractual provisions applicable to the management of public funds; and

(b) provides management with the information on current performance that it needs to make future financial plans.

Because internal reports are designed to serve the needs of management, management is free to select the format and content it believes is most relevant, with timeliness being a key consideration for their use as monitoring or planning documents.
