3. **Agreement Term and Termination**

Notwithstanding Paragraph 4(C) and Paragraph 5, each of which may require performance by the Grantee after the Agreement term is completed or the Agreement is terminated, the term of this Agreement shall be from July 1, XXXX to June 30, XXXX. The Grantee further agrees that the requirements of this Agreement pertaining to indemnity in Paragraph 8, records in Paragraph 14, and intellectual property in Paragraph 15, and controlling law in Paragraph 19, shall survive the termination of this Agreement.

The Executive Director, after consultation with the Chair of the Commission, may at any time from execution of this Agreement, terminate this Agreement, with or without cause upon 30 days written notice specifying the effective date of such termination. In the event of termination, all finished or unfinished documents, data, studies, maps, photographs, reports, and materials (collectively, “Materials”) prepared by the Grantee under

this Agreement shall become the property of the Commission and shall be promptly delivered to the Commission. In the event of termination, the Grantee shall be paid for all work satisfactorily performed until termination.

In the event that the Commission makes any advance payments, the Grantee agrees to refund any amounts in excess of the amount owed by the Commission if the Agreement is terminated at the time the Agreement terminated. Such payment shall be that portion of the full payment, which is determined by comparing the work/services completed satisfactorily to the work/services required by the Agreement.

4. **Payments**

- C. **Time Limit for Submitting**. Grantee expenditures will be paid on a reimbursement basis only. On a quarterly basis, the Grantee shall submit actual expenses in a Financial Status Report and Reimbursement Request Form (the "Report"). This Report shall be submitted within 30 days after the end of each quarter being reported on for each funded fiscal year under this Agreement in accordance with the provisions of Exhibit B. Guidelines from the Grantee Handbook for the submittal of the Report will be provided on request.
- D. **Availability of Funds**. Payment for all services provided pursuant to this Agreement is contingent upon the availability of funds under Proposition 10. In the event such funds are not provided or not available to the First 5 San Mateo County, the Commission shall not be liable for any payment under this Agreement. In such event, the Commission may terminate this Agreement for unavailability of State funds. If that occurs, the Commission shall request that the Executive Director inform the Grantee of such unavailability as soon as it is known, and, to the extent Proposition 10 funds remain and it is legally possible, the Commission shall pay all outstanding amounts due. In no event will the Commission be required to make payments under this Agreement from non-Proposition 10 Commission funds.
- E. **Supplantation**. Funds pursuant to this Agreement are provided pursuant to Proposition 10 and are intended to supplement, expand upon, and enhance activities funded from existing sources. The Grantee shall not use funds under this Agreement to supplant existing resources or services.

5. **Program Monitoring and Evaluation**

The Grantee shall track the achievement of program objectives and the process and outcome measures for this project as they are described in the Scope of Work in Exhibit A. As noted in the Grantee Handbook, the Annual Review process serves as an opportunity to look ahead to the new grant year and incorporate lessons learned into the Scope of Work and/or Budget, to evaluate the project's progress toward meeting objectives and activities delineated in the Scope of Work, and to discuss any changes that should be made to the Scope of Work-and/or Budget in light of the above.

The Grantee shall cooperate with the Commission, the Staff and/or a Staff Designee hired to aid in the evaluation process. The Grantee shall collect client level data for each funded year and shall participate in a countywide and statewide evaluation of the effectiveness of Proposition 10 efforts, whether it occurs during or after the term of this contract. As requested by the Executive Director, his or her designee, or the Commission's Staff, the Grantee shall submit reports in the form of those included in the Grantee Handbook according to the following monitoring and evaluation dates:

7. **Relationship of Parties**

The Grantee agrees and understands that the work/services performed under this Agreement are performed as a Grantee and not as an employee of the Commission or the County of San Mateo, and that Grantee acquires none of the rights, privileges, powers or advantages of Commission or County employees.

8. **Indemnity**

The Grantee shall indemnify and hold harmless the Commission, its officers, agents, employees, and servants from all claims, suits, or actions of every name, kind and description, brought for, on account of: (A) injuries to or death of any person, including the Grantee, or (B) damage to any property of any kind whatsoever and to whomever belonging, or (C) any sanctions, penalties, or claims of damages resulting from the Grantee's failure to comply with the requirements set forth in the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and all Federal regulations promulgated thereunder, as amended, or (D) any loss or cost, including but not limited to that caused by the concurrent active or passive negligence of the Commission, its officers, agents, employees, or servants resulting from the performance of any work required of the Grantee or payments made pursuant to this Agreement, provided that this shall not apply to injuries or damage for which the Commission has been found in a court of competent jurisdiction to be solely liable by reason of its own negligence or willful misconduct.

The duty of the Grantee to indemnify and hold harmless as set forth herein, shall include the duty to defend as set forth in section 2778 of the California Civil Code.

9. **Insurance**

The Grantee shall not commence work or be required to commence work under this Agreement unless and until all insurance required under this paragraph has been obtained and such insurance has been approved by the Executive Director of the Commission. The Grantee shall use diligence to obtain such issuance and to obtain such approval. The Grantee shall furnish the Commission with certificates of insurance evidencing the required coverage, and there shall be a specific contractual liability endorsement extending the Grantee's coverage to include the liability assumed by the Grantee pursuant to this Agreement. These certificates shall specify or be endorsed to provide that thirty (30) days' notice must be given, in writing, to the Commission of any pending change in the limits of liability or of any cancellation or modification of the policy.

A. **Worker's Compensation and Employer's Liability Insurance.** The Grantee shall have in effect during the entire life of this Agreement Worker's Compensation and Employer's Liability Insurance providing full statutory coverage. In signing this Agreement, the Grantee makes the following certification, required by section 1861 of the California Labor Code:

I am aware of the provisions of Section 3700 of the California Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.

B. **Liability Insurance.** The Grantee shall take out and maintain during the life of this Agreement such Bodily Injury Liability and Property Damage Liability Insurance as shall protect him/her while performing work covered by this Agreement from any and all claims for damages for bodily injury, including accidental death, as well as any and all claims for property damage which may arise from grantee's operations under this Agreement, whether such operations be by himself/herself or by any person or entity performing the services or by anyone directly or indirectly employed by either of them. Such insurance shall be combined single limit bodily injury and property damage for each occurrence and shall be not less than the amount

specified below.

Such insurance shall include:

- | | |
|---------------------------------------|-------------|
| (a) Comprehensive General Liability | \$1,000,000 |
| (b) Motor Vehicle Liability Insurance | \$1,000,000 |

The Commission and its officers, agents, employees and servants shall be named as additional insured on any such policies of insurance, which shall also contain a provision that the insurance afforded thereby to the Commission, its officers, agents, employees and servants shall be primary insurance to the full limits of liability of the policy, and that if the Commission or its officers and employees have other insurance against the loss covered by such a policy, such other insurance shall be excess insurance only.

In the event of the breach of any provision of this section, or in the event any notice is received which indicates any required insurance coverage will be diminished or canceled, the Commission at its option, may, notwithstanding any other provision of this Agreement to the contrary, immediately declare a material breach of this Agreement and suspend all further work pursuant to this Agreement.

10. **Non-Discrimination**

Grantee shall comply with the non-discrimination requirements described below:

A. **Section 504 of the Rehabilitation Act of 1973**

1. Pursuant to Section 504 of the Rehabilitation Act of 1973 (Public Law 93-112) as amended ("Section 504"), the Grantee agrees that no otherwise qualified disabled individual shall, solely by reason of a disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination in the performance of this Agreement.
2. Compliance with Section 504 requires that all benefits, aids and services are made available to disabled persons on an equivalent basis with those received by non-disabled persons. The Grantee shall agree to be in compliance with Section 504 requirements by signing the Letter of Assurance, attached and incorporated herein as Exhibit C.

Non-Discrimination - General

No person shall, on the grounds of age, ancestry, creed, color, disability, marital status, medical conditions, national origin, political or religious affiliation, race, sex, sexual orientation or any non-job-related criteria be excluded from participation in, be denied the benefits, or be subjected to discrimination under this Agreement.

Violation of the non-discrimination provisions of this Agreement shall be considered a breach of this Agreement and subject the Grantee to penalties, to be determined by the Executive Director after consultation with the Chair of the Commission, including but not limited to: i) termination of this Agreement; ii) disqualification of the Grantee from bidding on or being awarded a Commission or County of San Mateo agreement for a period of up to 3 years; iii) liquidated damages of \$2,500 per violation; and/or iv) imposition of other appropriate contractual and civil remedies and sanctions, as determined by the Executive Director, on behalf of the Commission.

To effectuate the provisions of this paragraph, the Executive Director shall have the authority to: i) examine Grantee's employment records with respect to compliance with this paragraph; ii) offset all or any portion of the amount described in this paragraph against amounts due to the Grantee under the Agreement or any other Agreement between Grantee and the Commission or the County of San Mateo. The Grantee shall report to the Executive Director the filing by any person in any court of any complaint of discrimination or the filing by any person of any and all charges with the Equal Employment Opportunity Commission, the Department of Fair Employment and Housing or any other entity charged with the investigation of allegations within 30 days of the Grantee's receipt of such filing, provided that within such 30 days such entity has not notified Grantee that such charges are dismissed or otherwise unfounded. Such notification shall include the name of the complainant, a copy of such complaint and a description of the circumstances. The Grantee shall provide the Commission with a copy of its response to the Complaint when filed.

Non-Discrimination - Employment

The Grantee shall ensure equal employment opportunity based on objective standards of recruitment, selection, promotion, classification, compensation, performance evaluations, and management relations, for all employees under this Agreement. The Grantee's equal employment opportunity policies shall be made available to the Commission upon request.

Equal Benefits

With respect to the provision of employee benefits, the Grantee shall comply with the County Ordinance which prohibits contractors from discriminating in the provision of employee benefits between an employee with a domestic partner and an employee with a spouse.

11. Child Abuse Prevention and Reporting

The Grantee agrees to ensure that all known or suspected instances of child abuse or neglect are reported to a child protective agency as defined in Penal Code Section 11165.9. This responsibility shall include:

- A. Requiring that all employees, consultants, or agents performing services under this Agreement who are required by Penal Code Section 11166(a), to report child abuse or neglect, sign a statement that he or she knows of the reporting requirement and will comply with it.
- B. Establishing procedures to ensure reporting even when employees, consultants, or agents who are not required to report child abuse under Penal Code Section 11166(a) but who will be alone with children and/or who have supervisory or disciplinary control over children, gain knowledge of, or reasonably suspect that a child has been a victim of abuse or neglect.
- C. Establishing procedures to ensure fingerprinting, at the Grantee's sole expense, for all employees, subcontractors, assignees, volunteers, and any other persons who provide services under this Agreement who will have supervisory or disciplinary power over a minor or any person under his or her care (Penal Code Section 11105.3) in order to determine whether they have a criminal history which would compromise the safety of children with whom the Grantee's employees, subcontractors, assignees or volunteers have contact.

12. Smoke Free Premises

The Grantee shall prohibit smoking on its premises. "Premises" shall include all property owned, leased, or occupied by the Grantee, including its offices and day care centers, if applicable. In addition, the Grantee shall include or incorporate by reference in all subcontracts the requirements of this provision; failure to do so shall constitute a material breach of this Agreement.

13. Assignments and Subcontracts

- A. Without the written consent of the Executive Director of the Commission or his/her designee, this Agreement is not assignable in whole or in part with the exception of subcontractors already approved as part of this Agreement. Any assignment by the Grantee without the written consent of the Executive Director of the Commission or his/her designee violates this Agreement and shall automatically terminate this Agreement.
- B. All assignees, subcontractors, or consultants approved in writing by the Executive Director of the Commission or his/her designee shall be subject to the same terms and conditions applicable to the Grantee under this Agreement, and Grantee shall be liable for the assignee's, subcontractor's or consultant's acts and/or omissions.

14. Records

- A. The Grantee agrees to provide to the Commission, to any Federal or State department having monitoring or reviewing authority, to Commission's authorized representatives and/or their appropriate audit agencies upon reasonable notice, access to and the right to examine and audit all records and documents necessary to determine compliance with relevant Federal, State, and local statutes, rules and regulations, and this Agreement, and to evaluate the quality, appropriateness and timeliness of services performed.

- B. The Grantee shall maintain and preserve all records relating to this Agreement in its possession of any third party performing work related to this Agreement for a period of three (3) years from the termination date of this Agreement, or until audit findings are resolved, whichever is greater.
- C. The Grantee shall notify Commission staff of all instances and/or requests for data disclosure.

15. **Intellectual Property**

The Commission recognizes that, at times, Grantees may wish to share their findings and analysis for the benefit of the community through publication, teaching and other methods of dissemination. These activities can be viewed as beneficial to the community; therefore the Commission generally encourages them. As long as the Grantee does not receive any financial consideration for the dissemination and takes steps to protect the confidentiality of any individual who provided information, the Grantee may do so without approval from the Commission; however, any dissemination will include an acknowledgment of First 5 San Mateo County.

However, this Agreement shall otherwise preclude Grantees from using or marketing products developed or originated for the Commission hereunder commercially or in any manner that generates revenue unless and until the parties execute a marketing agreement.

All products, concepts, inventions, discoveries and improvements, however recorded, prepared or generated by the Grantee in the performance of this Agreement shall be the exclusive property of the Commission and the Commission reserves all rights, including but not limited to the copyrights. It is the parties' intention that any product or concept created by the Grantee under this agreement be a work for hire. The phrase "products, concepts, inventions, discoveries and improvements" as used in the Agreement shall include, but will not be limited to, documentation, findings, designs, reports, forms, evaluations, analyses, methods of analysis, videos, images, diagrams, brochures, manuals, books, curricula, presentations, other writings, systems and software developed related to the work under this Agreement.

It shall be further presumed that any product, concepts, inventions, discoveries and improvements recorded, prepared or generated by the Grantee during the term of this Agreement and related to this Agreement were recorded prepared or generated in the performance of this Agreement unless Grantee is able to show by documented proof that such product, invention, discovery or improvement was developed solely with Grantee's facilities or resources and is unrelated to this Agreement. If any product, invention, discovery or improvement related to this Agreement shall be determined to be the property of Grantee, the F5SMC Commission shall be granted a nonexclusive, irrevocable, royalty free license to use said product, invention, discovery or improvement.

Failure to comply with the obligations of this provision shall constitute a Material Breach of the Agreement. Because the Grantee and the Commission agree that damages for violation of this provision would likely be difficult to ascertain and calculate, the Grantee agrees to pay the Commission liquidated damages in the amount of \$15,000 for each violation of this provision. In addition, the Grantee and the Commission agree that a violation of this provision would result in irreparable harm to the Commission.

16. **Compliance with Applicable Laws**

All services to be performed by the Grantee pursuant to this Agreement shall be performed in accordance with all applicable Federal, State, County and Municipal laws, ordinances, and regulations, including but not limited to appropriate licensure, certification regulations, confidentiality requirements and applicable quality assurance regulations.

17. **Alteration of Agreement**

This Agreement, including exhibits and attachments included herewith and incorporated by reference, constitutes the sole and entire Agreement of the parties hereto and correctly states the rights, duties, and obligations of each party as of this document's date. Any prior agreement, promises, negotiations, or representations between the parties not expressly stated in this document are not binding. All subsequent modifications shall be in writing and executed by the parties.

18. **Notices**

- A. Unless First 5 San Mateo County is informed in writing, of any change as to the name and address for

A digital signature is a type of "electronic signature". If the Parties wish to permit this Agreement and future documents relating to this Agreement to be digitally signed in accordance with California law, both boxes below must be checked. The protocol provided below addresses how and when a person must obtain permission to disseminate data, findings or products emerging from First 5 San Mateo County (“F5SMC” or “Commission”)-funded projects or their evaluations.

1. Categories of Materials

The following tiers represent the general types or categories of dissemination and the F5SMC’s policy for each category.

- Tier 1** acknowledges that cleaned and reviewed data, and summaries of cleaned/reviewed data are commonly shared among individuals and/or organizations (collectively "Person"). The F5SMC encourages this practice and does not expect any advance notice, pre-approval or involvement.
- Tier 2** recognizes that data sets are commonly analyzed and findings are broadly shared through publication, teaching and other methods of dissemination. These activities can be viewed as beneficial to the community and therefore the F5SMC generally encourages them. However, prior to any publication of F5SMC-funded and produced Materials, such material shall be submitted to the F5SMC for prior approval for input and to ensure inclusion of appropriate F5SMC acknowledgment. Failure to obtain approval prior to dissemination is a violation of this protocol.
- Tier 3** acknowledges that in some instances, Persons will develop analyses, Materials or products for distribution and/or sale (e.g. software programs, CD-ROMs, brochures, manuals, curricula and books). Persons need to acknowledge that in such instances, the F5SMC owns the rights to such analyses, Materials or products. Consequently, no Person shall sell or otherwise appropriate, any analyses, Materials or products which are made possible, in whole or in part, by F5SMC funded support, without the express prior approval of the F5SMC. When presented with a request by a Person for prior approval, the F5SMC shall decide whether, and to what extent, such analyses, Materials or products may be appropriated or sold, the determination of which shall include consideration of such issues such as profit sharing, on a case by case basis. Failure to obtain

approval prior to dissemination is a violation of this protocol. The decision whether to grant approval is the Commission's alone and is not subject to a requirement of good cause.

2. Definitions and Process

At present, F5SMC Agreements provide that F5SMC owns any products from F5SMC-funded projects. The protocol provided below addresses how/when a person must obtain permission to disseminate data, findings or products emerging from F5SMC-funded projects or their evaluations.

Tier 1- Cleaned/Reviewed Data and Summary of Findings

Definition:

This category generally includes data that is considered to be "in the public domain." This includes data from general surveys as well as specific surveys and other data collection methods utilized to identify the "results" of F5SMC-funded efforts (e.g. percentage of WIC clients who initiate breast feeding).

This data has been cleaned and reviewed for clarity and reasonable validity. This does not include "draft" data or draft summaries which have not been approved or finalized by the originator.

Criteria/Conditions for Release of Information:

In the spirit of cooperating/coordinating with all Persons who are working to improve the health and well being of children and families in the County, these data may be released without specific F5SMC review and approval provided that appropriate measures are taken to ensure client confidentiality AND provided that the methods used to collect the data are reasonably valid and are available for review upon request.

Tier 2- Analytic Reports for Public Dissemination, Publication and/or Teaching

Definition:

This category includes reports that analyze cleaned data and their significance, and which are to be used for public dissemination, publication, or teaching.

Criteria/Conditions for Release of Information:

Reports for public dissemination, publication and/or teaching must (1) acknowledge F5SMC support for the intervention or evaluation effort; and (2) be submitted to F5SMC prior to distribution/publication for approval, feedback and comments.
